RE: *Pharaohs GC, Inc. v. U.S. Small Business Administration, et al.*
Ct. of App. Docket No.: 20-2170, Dist. Ct. Docket No.: 20-CV-665

Dear Hon. Schroeder:

This office represents the Plaintiff in the above-referenced action. I am writing to your honor concerning the Case Management Order ("CMO") for the above-referenced case.

Under the Court's August 20, 2020 Text Order, a proposed CMO is due to be filed with the Court on Thursday of this week. I provided a draft CMO to Mr. Cerrone last Thursday, but the responding email advised that Mr. Cerrone would be out of the office until tomorrow. I will be out of the office tomorrow and Thursday.

In light of the foregoing, it is respectfully requested that the Court extend the date for the filing of a proposed CMO by one week. If there are any questions, please contact the undersigned. Thank you for our consideration.

Respectfully,

Edward P. Yankelunas, Esq.
